I.a.balloons Celebrating September as International Balloon Month! 🎈👍👏 The smiley face balloon is the iconic balloon chosen for the campaign #LiftUpSomebody with the concept of bringing a smile to someone's face by sending them a bouquet of balloons. Take a moment and send someone you love, a friend, a coworker or even a stranger a balloon bouquet this month...and bring a smile to someone's face! 😊#balloons #internationalballoonmonth #balloonbouquet #laballoons #losangeles #instafollow #smileyface #cheersomeoneup

"The #LiftUpSomebody campaign inspires people around the world to "thank" someone special in their community by giving them balloons, and then share those moments of joy on social media. The campaign also encourages people to promote and follow the motto: "Don't let go: Inflate. Weight. Enjoy..."

We're here for it 🎈👍👏👏

"Lift Up Somebody" by sending a surprise balloon arrangement to friends, family, coworkers, to a veterans' home, assisted living facility or even someone completely anonymous.

Tweet and Instagram images of your balloons and the recipient with the hashtag #liftupsomebody #brownsugarsballoons to be part of the movement!
